## **Physical Requirements for Service Industry Readiness**

**Below is a list of minimal physical abilities that a student should possess to be successful in the Service Industry class here at Herkimer-Fulton-Hamilton-Otsego B.O.C.E.S.**

- Correct vision and hearing is valuable for a safe work environment
- Ability to sit and stand in one location for extended periods of time
- Bend, stretch, twist or reach to demonstrate ability to perform vocational skills
- Ability to lift 20 lbs.
- Good eye/hand coordination to demonstrate ability to perform vocational skills
- No medication(s) carrying warnings that may impair judgment and/or ability to perform tasks as previously identified

**Please list any concerns you may have for a student completing this program.**

**These are the minimum physical requirements. There may be ways to modify some of these physical requirements in which will be determined by the instructor.**

Central Valley ■ Dolgeville ■ Frankfort-Schuyler ■ Herkimer ■ Little Falls  
Mount Markham ■ Owen D. Young ■ Poland ■ Richfield Springs ■ West Canada Valley
